Jefferson City—By order of the Governor, all flags at state facilities shall be flown at half-staff on Monday, May 27, until noon in observance of Memorial Day. National and state flags must be flown at half-staff until noon, and at the top of the staff for the rest of the day.

If a building does not have employees on duty Monday to lower the flag to half-staff and raise it at noon, then the flag must not be flown that day.
